

COLUMBA COLLEGE, KILLUCAN, CO. WESTMEATH.

The aim of this Acceptable Use Policy is to ensure that pupils will benefit from learning opportunities offered by the school's internet resources in a safe and effective manner. Internet use and access is considered a school resource and privilege. Therefore, if the school AUP is not adhered to, this privilege will be withdrawn and appropriate sanctions – as outlined in the AUP will be imposed.

It is envisaged that school and parent representatives will revise the AUP annually. Before signing, the AUP should be read carefully to ensure that the conditions of use are accepted and understood.

This version of the AUP was created on 6th April, 2006 by Principal and Staff.

Re: Internet Permission Form

Dear Parent/Guardian,

As part of the school's education programme, we offer pupils supervised access to the internet. This allows students access to a large array of online educational resources that we believe can greatly enhance students' learning experience.

However, access to and use of the internet requires responsibility on the part of the user and the school. These responsibilities are outlined in the school's Acceptable Use Policy (enclosed). It is important that this enclosed document is read carefully, signed by a parent or guardian and returned to the school.

Although the school takes active steps to promote safe use of the internet, it recognises the possibility that students may accidentally or deliberately access inappropriate or objectionable material.

The school respects each family's right to decide whether or not to allow their children access to the internet as defined by the school's Acceptable Use Policy.

Having read the terms of our school's Acceptable Use Policy, you may like to take a moment to consider how the internet is used in your own home, and see if there is any way you could make it safer for your own family.

Yours sincerely,

Bernice Martin – Principal
